Profile

Born May 4th 1968 in Hamburg, Germany

Grew up in Tokyo/Japan till the age of 13, finished school in Hamburg/Germany

1988-91 Student of electronics and acoustics at the Technical University Berlin. Works as boom operator and ENG engineer while playing the drums in various Bands during that period.

1993 Student of film sound and sound design at the film school in Potsdam-Babelsberg (HFF-Babelsberg). Graduated with a diploma of sound engineering. During this time works as location sound mixer and sound designer on feature films.

Currently works as a freelance location sound mixer and sound designer. Specialised in maintaining a sound concept from the script to the mix and has gained experience on complex international productions such as 'Assassin's Creed', 'In the Heart of the Sea', 'A Hologram for the King', 'Rush', 'Cloud Atlas', 'The International', 'Perfume' the Oscar winning documentary 'Citizenfour' and others.

Directors he worked with include Ron Howard, Justin Kurzel, Tom Tykwer, Laura Poitras, Anton Corbijn, Uli Edel and many others

Has worked for productions shot in USA, UK, Japan, Turkey, Spain, Russia

Won 3 awards for best sound design and 11 international nominations incl. a BAFTA-nomination for 'Rush'

Languages: English (fluent)
